

**FULL NAME:**

Lasse Hjort

BIRTH DATE:

May 30, 1997

EDUCATION:

Master's Student in Interaction Design
at Aalborg University

CURRENT JOB:

Gymnastics Instructor at DGI-Huset
Nordkraft

I am 25 years old and I am currently doing a Master's degree in Interaction Design at AAU.

I am curious about technology, open to new experiences, and I enjoy being challenged and developing new skills.

For the past 3 years I have worked as a gymnastics instructor at DGI-Huset Nordkraft where I teach kids to do flips. Beyond that I have worked as an assistant teacher at AAU for the course "Imperative Programming in C".

As I am nearing the end of my education I am looking for a job as an Interaction Designer / UI- or UX Designer. I'm available as a student worker as soon as possible or as a full-time employee from July 2023 which is when I finish my education.

SKILLS

Through my education I have acquired a deep understanding of many different aspects of Interaction Design such as:

- User-Centered Design
- Participatory Design
- Usability Testing
- Prototyping
- UX Research (Qualitative and Quantitative)

I also have experience with different programming languages including:

- HTML
- CSS
- C (Imperative)
- C# (Object-oriented)
- Java (Android)
- JavaScript
